

23<sup>rd</sup> INTERNATIONAL CONFERENCE FOR ENGLISH TEACHERS

**MODERN APPROACHES IN ELT:  
EMPOWERING TEACHER DEVELOPMENT  
AND  
STUDENT-CENTERED CLASSROOMS**

Puerto Vallarta, Mexico / November 6-9, 2025

Dear colleagues,

On behalf of ANUPI and COPEI, we are very pleased to welcome all of you to our Conference in Puerto Vallarta this year. We are very grateful to all of you who decided to join us this year taking into consideration the budget constraints we have been experiencing recently

Joining our Conference clearly means that you are highly motivated and willing to invest in your professional development, and it also means that you are eager to share your area of expertise with other colleagues and to learn and experience with technology such as Artificial Intelligence and other tools that will enrich our English classes. Thank you for proposing high-quality topics to ensure we continue achieving our goals.

It is our belief that professional development of English teachers depends on each one's professionalism and on sharpening our knowledge in the current teaching and learning trends with the use of Artificial Intelligence, Collaborative Online International Projects, new approaches in methodology, and good practices among many others.

A special thanks to our office manager Cristina Seguí who is always willing to help us, Roxana Martinez and all the Conference Organizing Committee for their ongoing commitment and hard work.

We are looking forward to a great conference with everyone!
